

671 W Honeysuckle Lane - 360-791-1074 cell

Go North on 101 and stay on 101 (all the way past all 3 Shelton Exits) until you reach State Route 102/Dayton Airport Rd.

Here are some approximate measurements in miles...

From the second Shelton Exit (do not get off the 101) Shelton-Matlock Rd & 101 N (Gillis auto Center) go approximately 3.3 miles further North to St Rt 102 Dayton Airport Rd. (there are signs for the State Patrol Academy & the Prison.)

Turn Left onto Dayton Airport Rd. Go approx 1.5 miles.

Turn right onto Eells Hill Rd. (sign here for the dump) go approx 2.0 miles

Turn Left onto W. Honeysuckle Lane – a Gravel Road. PLEASE DRIVE SLOWLY! 10 – 12 MPH max.

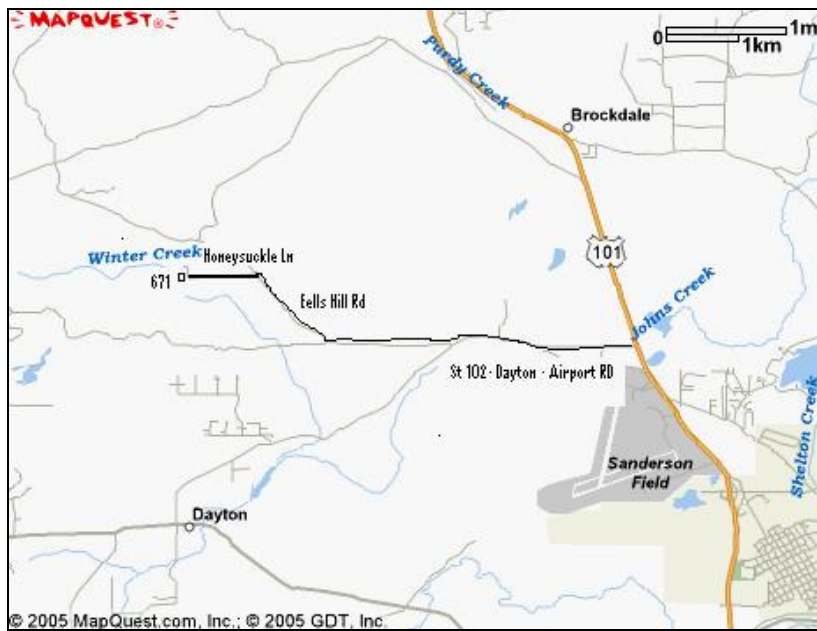

(the sign is high on the left, there is also a “slow we love our children” sign just before it)

There is a Yellow Bone approx. 2 feet by 18 inches that says K9KAPERS and an arrow to the left on the left shoulder of the road just as you get to Honeysuckle Lane.

If you get to the Primitive Road sign on EELLS Hill Rd. you are too far.

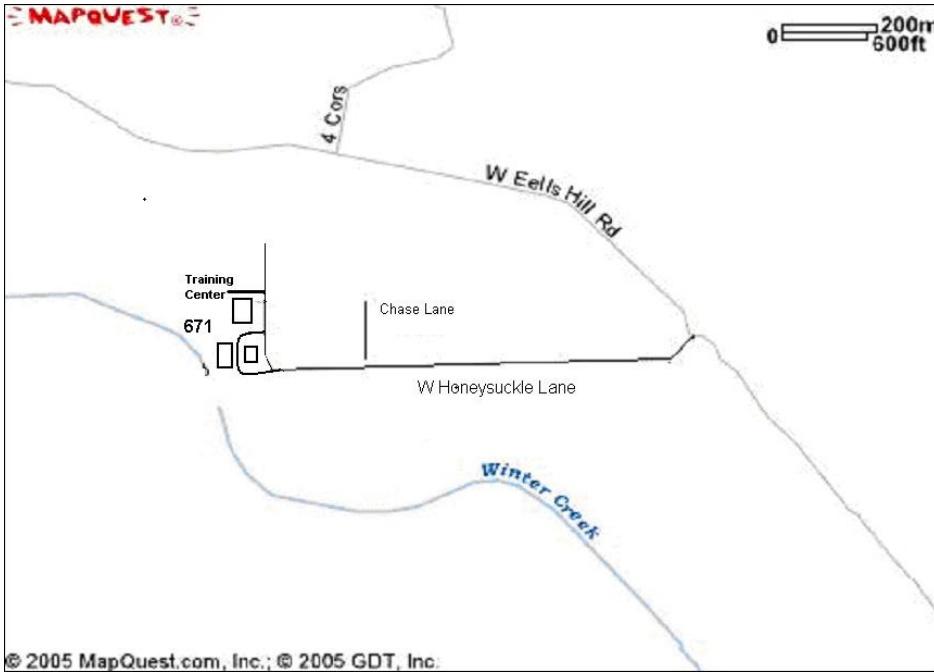

Go down W Honeysuckle about $\frac{3}{4}$ - 1 mile. Honeysuckle will make a 90 degree turn, you will see a second Yellow Bone with arrow to the right. The driveway at the beginning of the turn is mine, 671, go 2 driveways past and make a left into the training center, follow the 3rd Yellow Bone into the driveway! Parking will be directed. Call 360-791-1074 if you are lost.

You cannot find this on MapQuest unless you type in Chase Lane.
